

The background of the entire image is a close-up, high-resolution photograph of a light-colored wood surface. The wood grain is prominent, showing a mix of straight and wavy lines in shades of beige, cream, and light brown. The texture is natural and organic.

FINE FLOORING

# WHY RM?

We design and craft our flooring using techniques that combine Old World workmanship with modern innovations. From design to installation, every plank is touched by experts. No flooring is more beautiful or exclusive. Every floor is a custom, one-of-a-kind creation with unique color, pattern, texture and design.

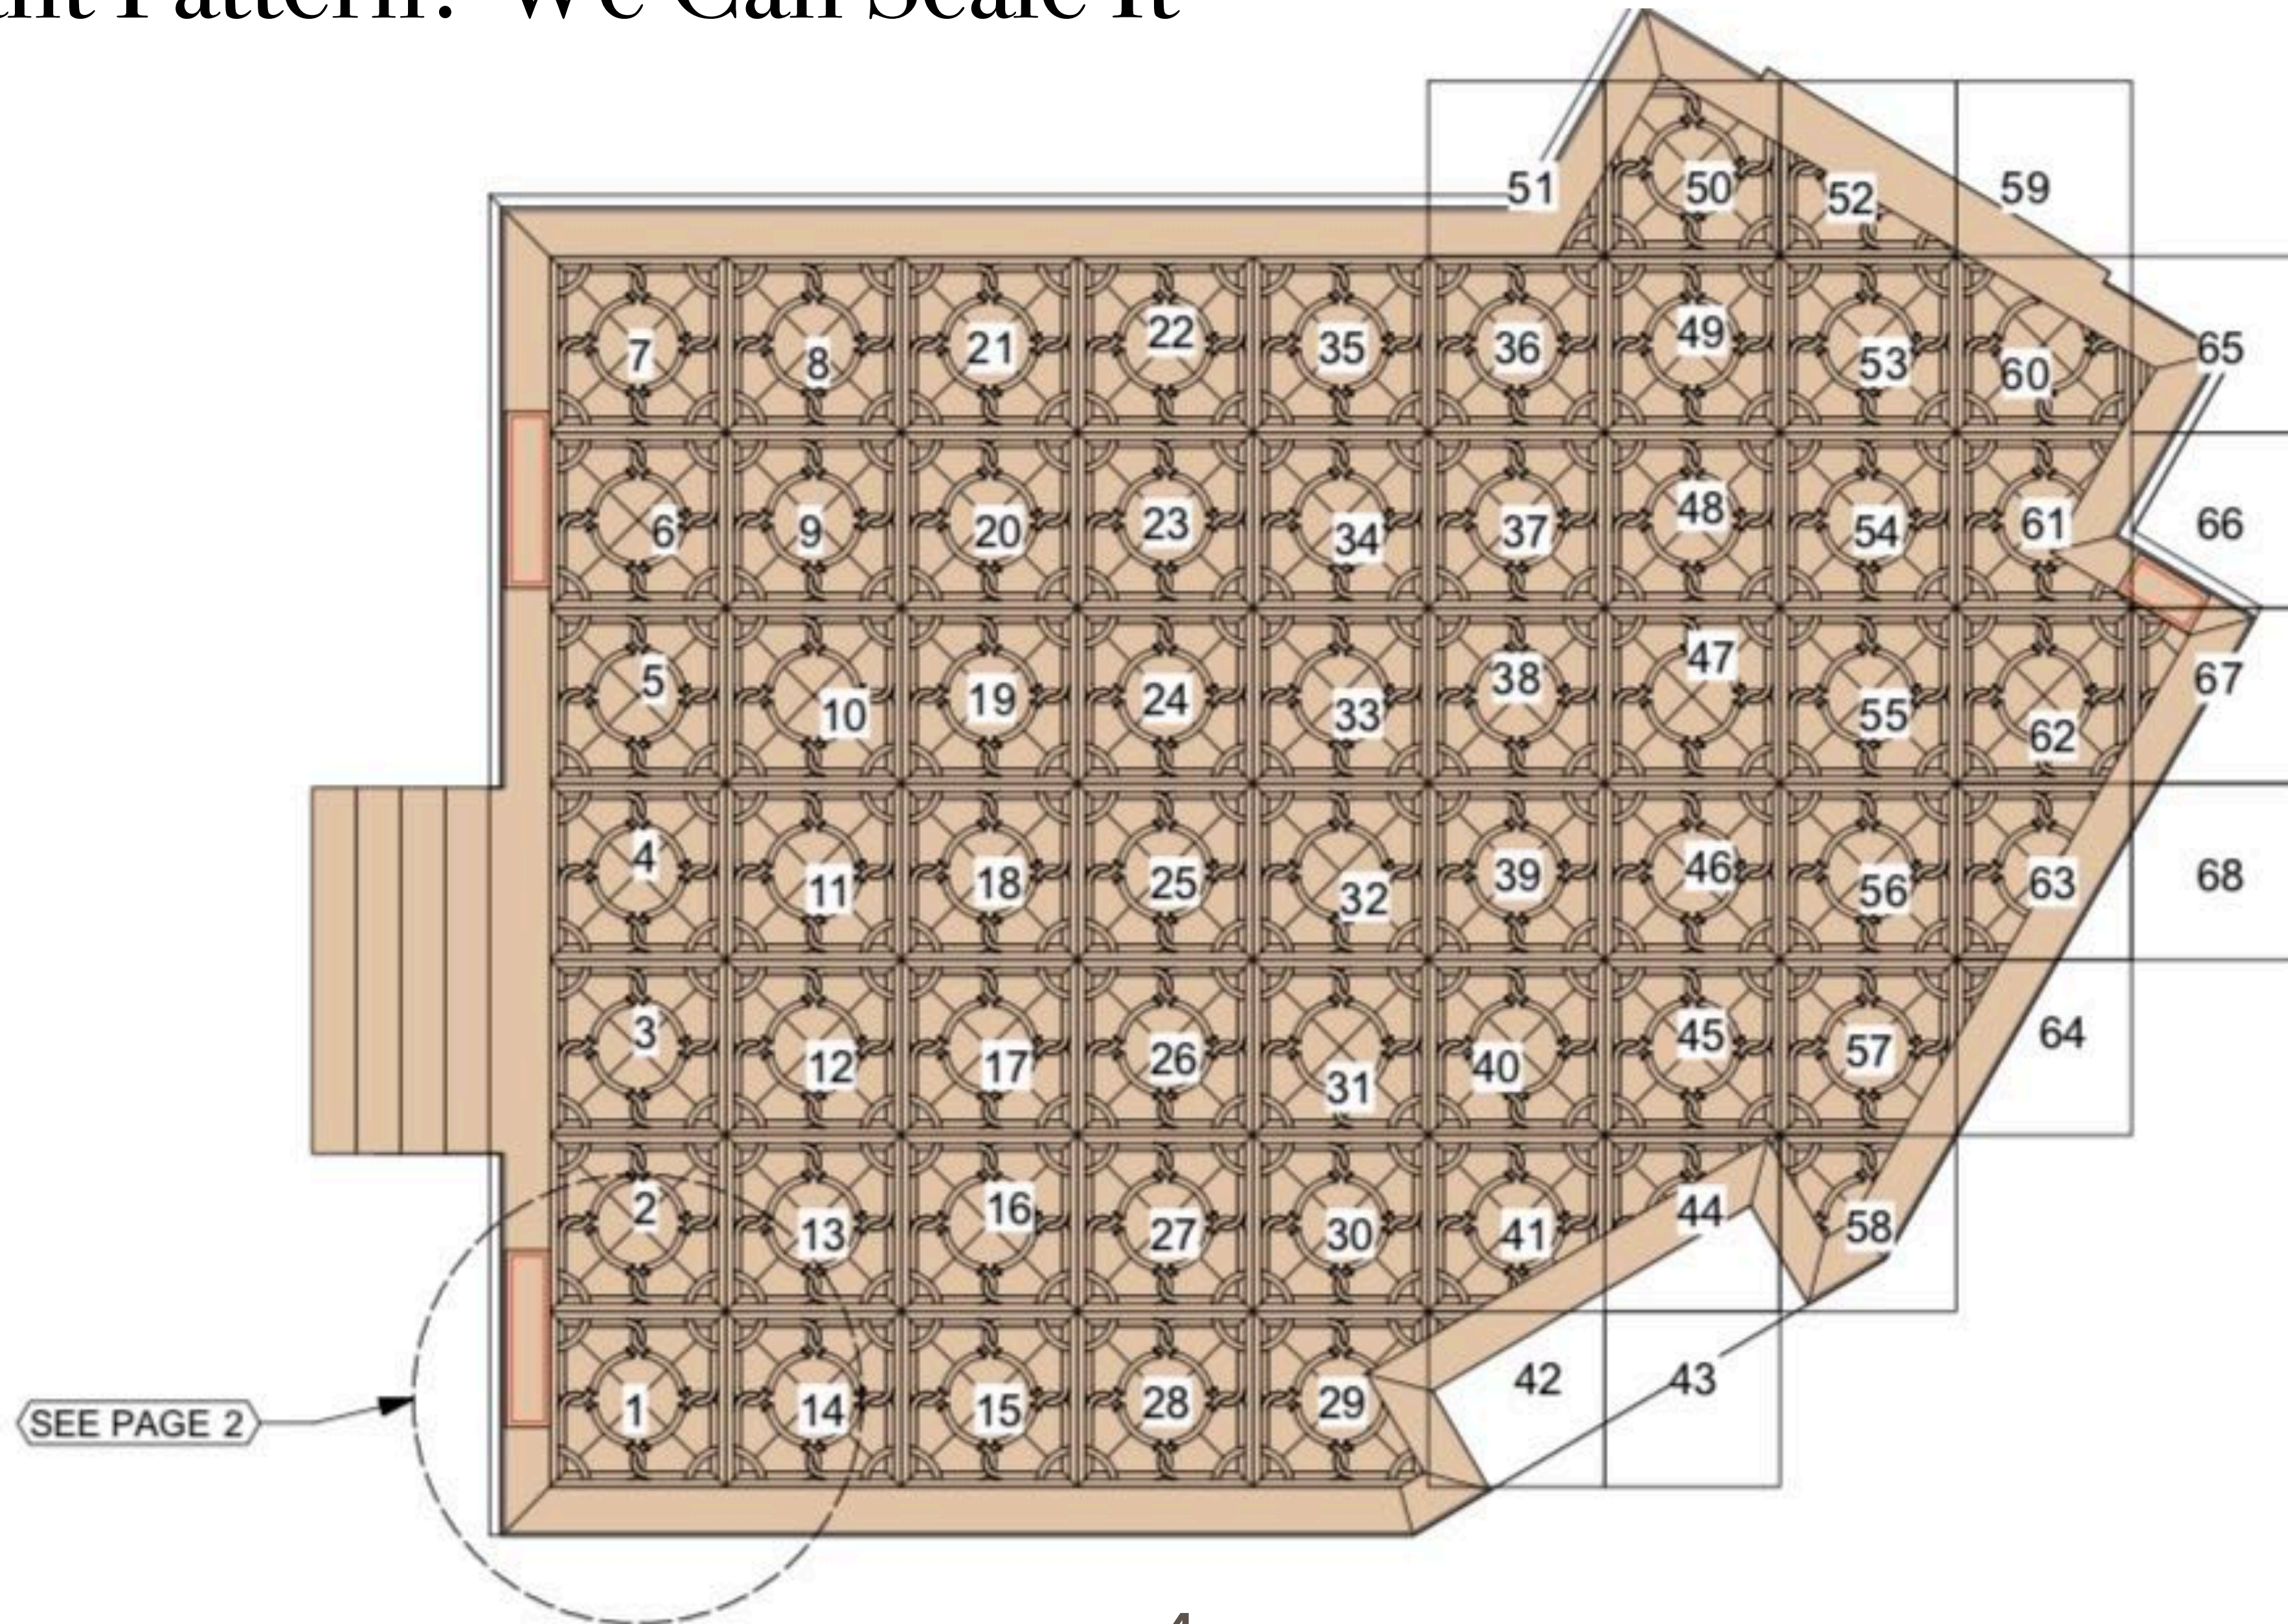

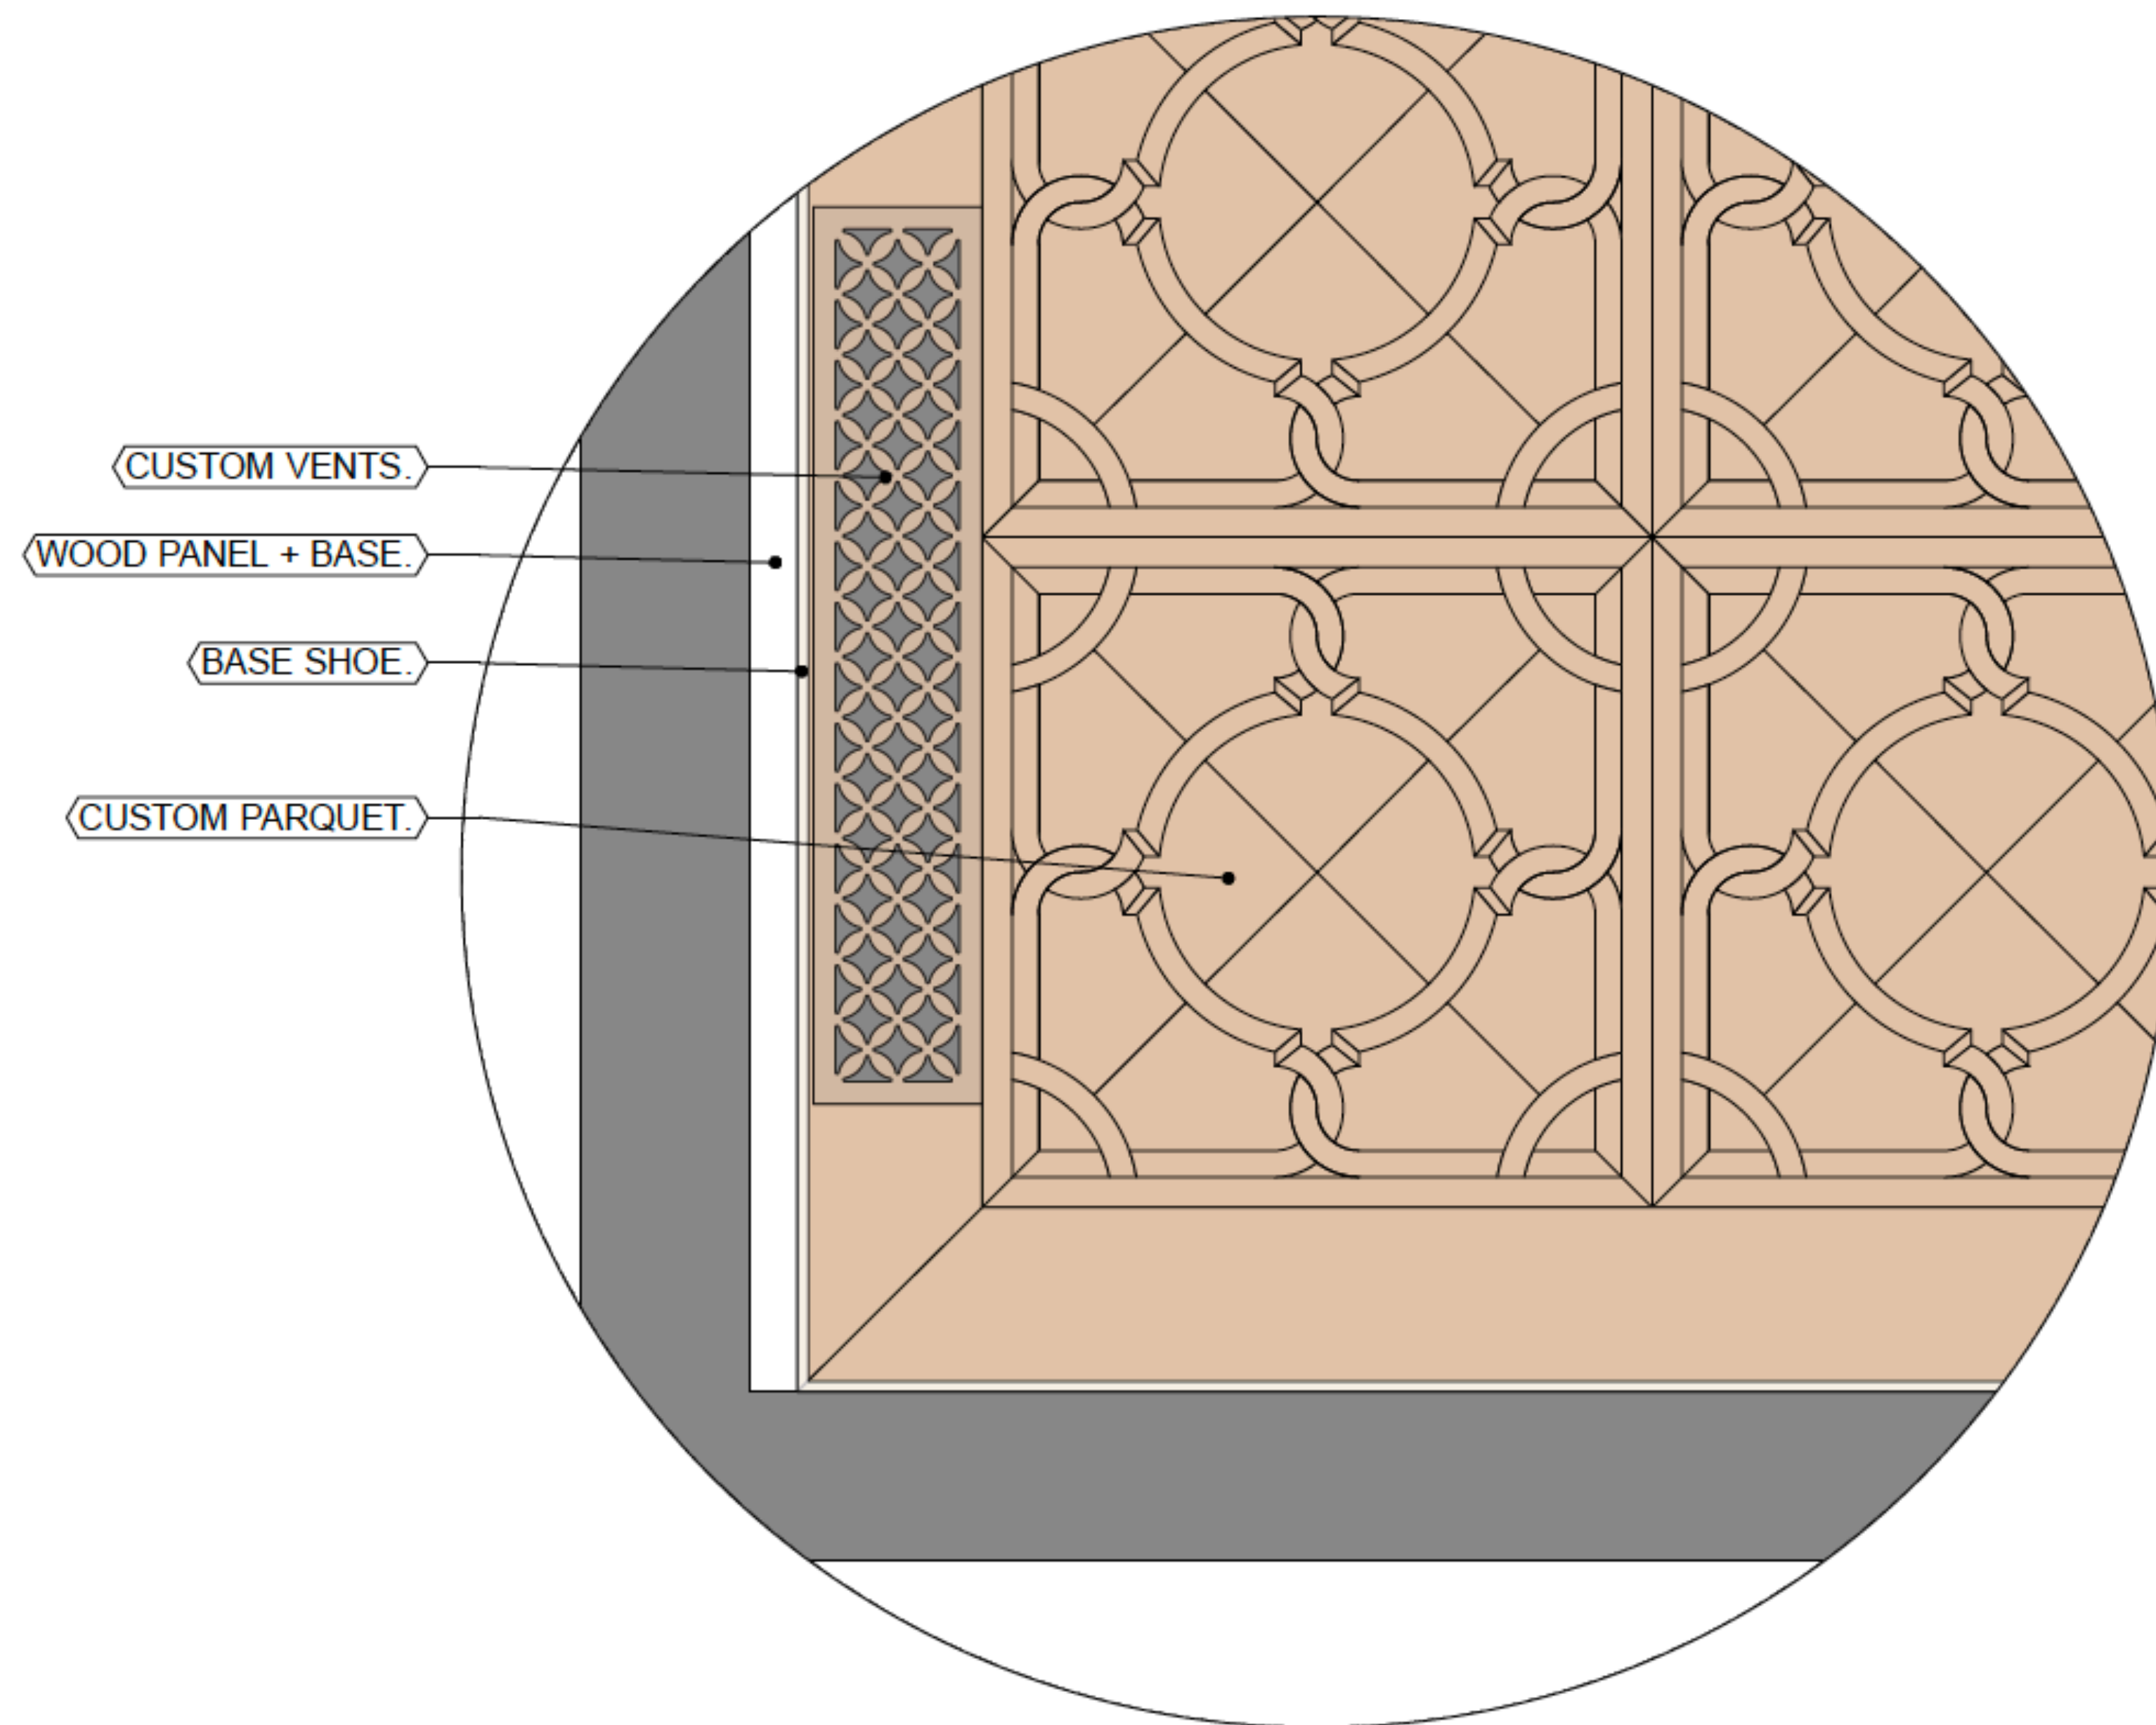

DISTINCTION

# You Want Pattern? We Can Scale It

Shop-finished flooring is what we do.  
Our process eliminates dust, noise,  
chemical odors & other disruptions.

RM continues to be the leader of developing methods and techniques  
to bring historic, timeless flooring of uncompromising beauty and  
durability to the marketplace

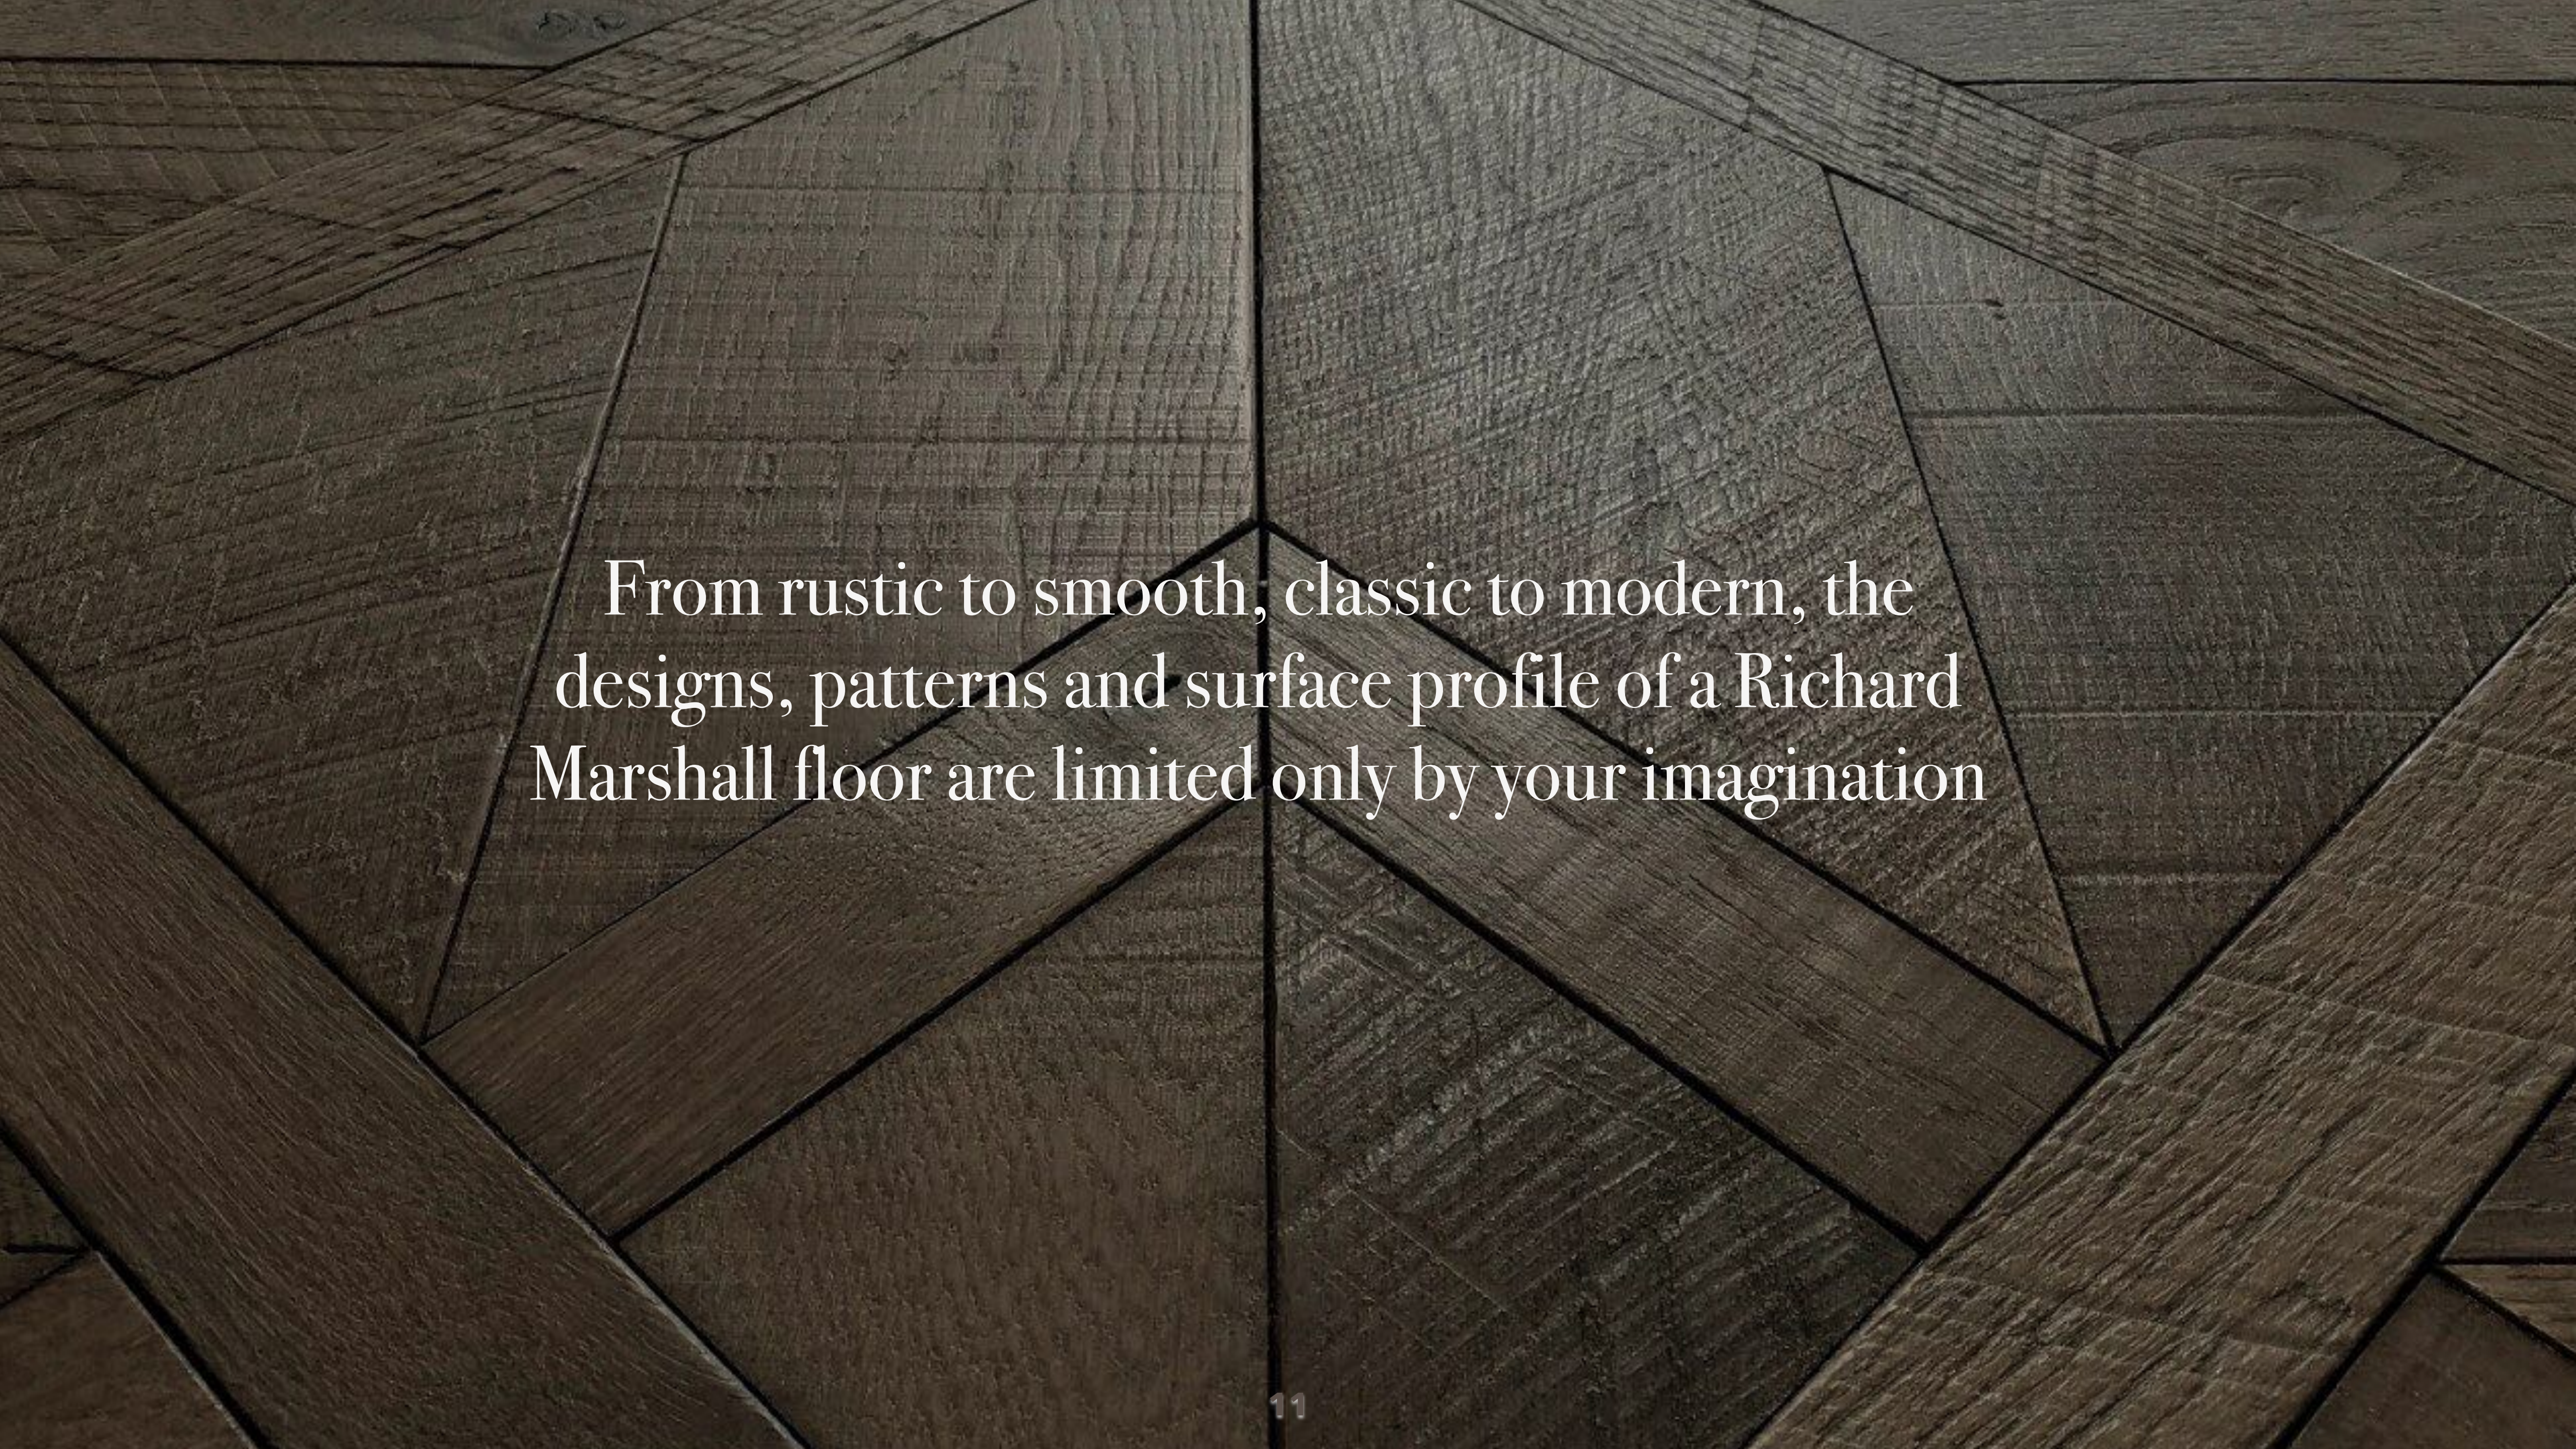

CRAFTSMANSHIP

From rustic to smooth, classic to modern, the designs, patterns and surface profile of a Richard Marshall floor are limited only by your imagination

Our skilled craftsmen apply by hand only the  
finest quality stains, dyes, and oil finishes

ARTISTIC

One might not think of flooring  
as art, but the most beautiful  
floors are truly an artistic  
expression

CHARM

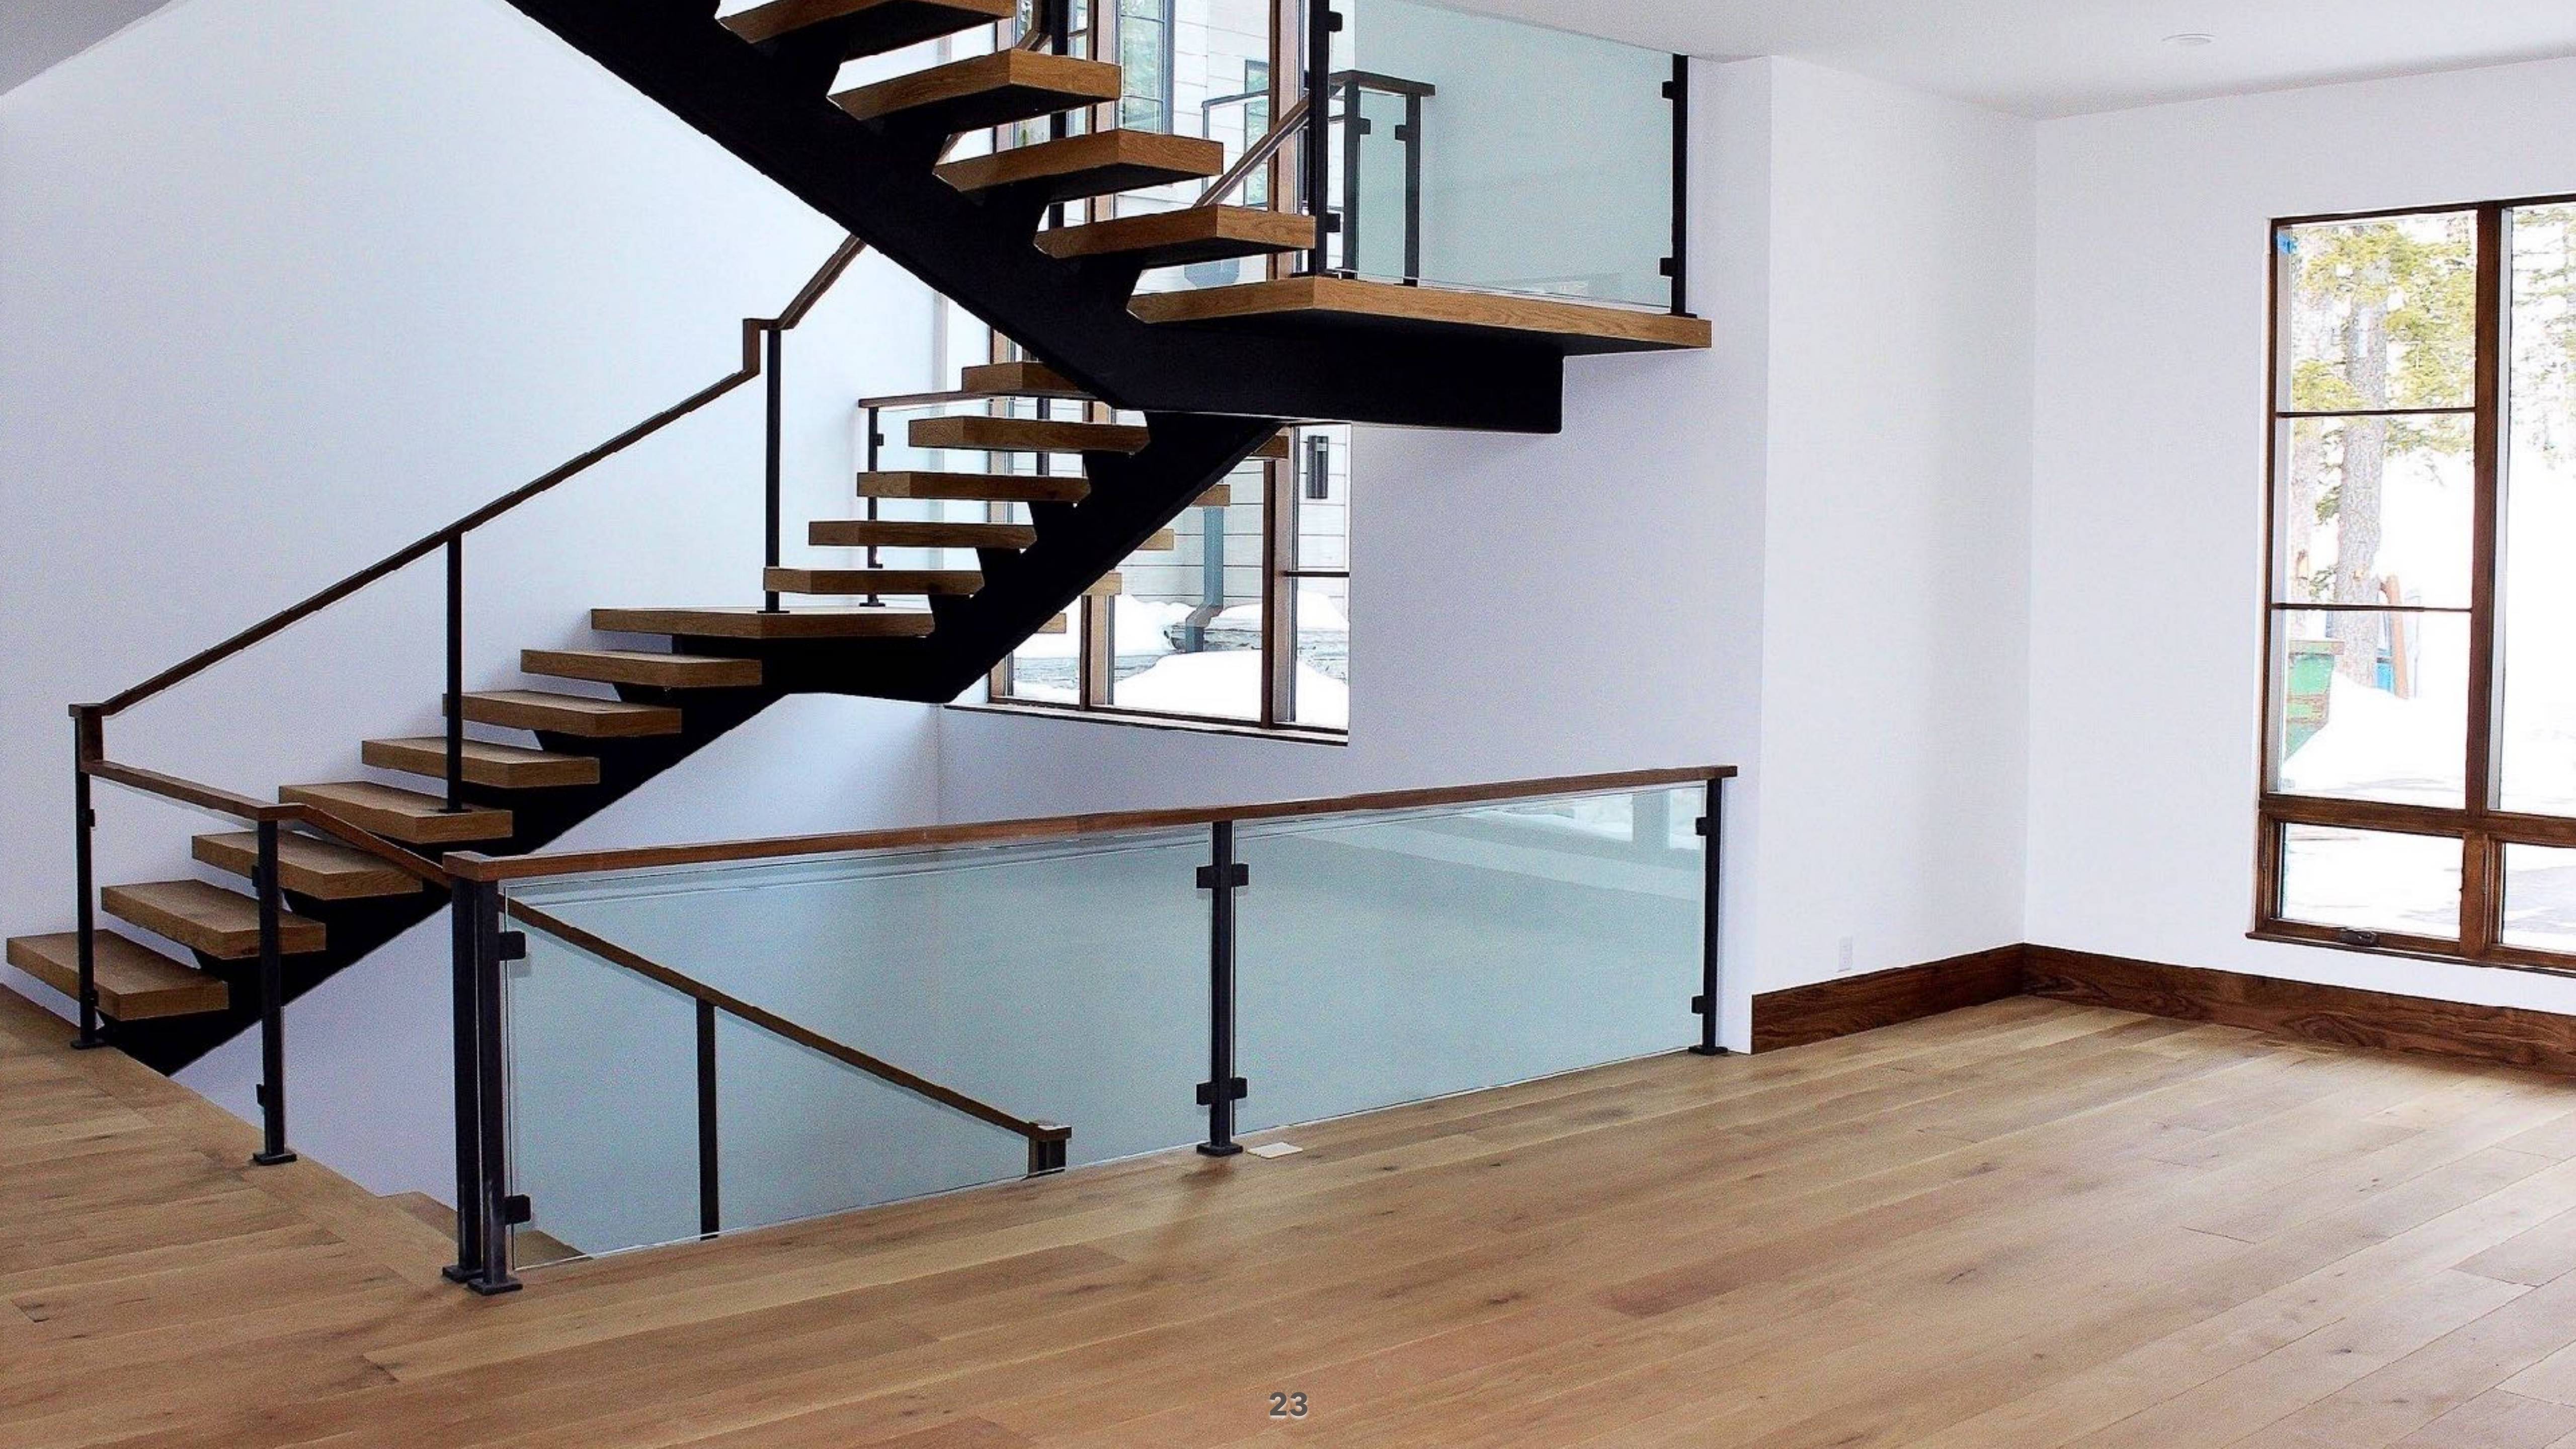

SOPHISTICATION

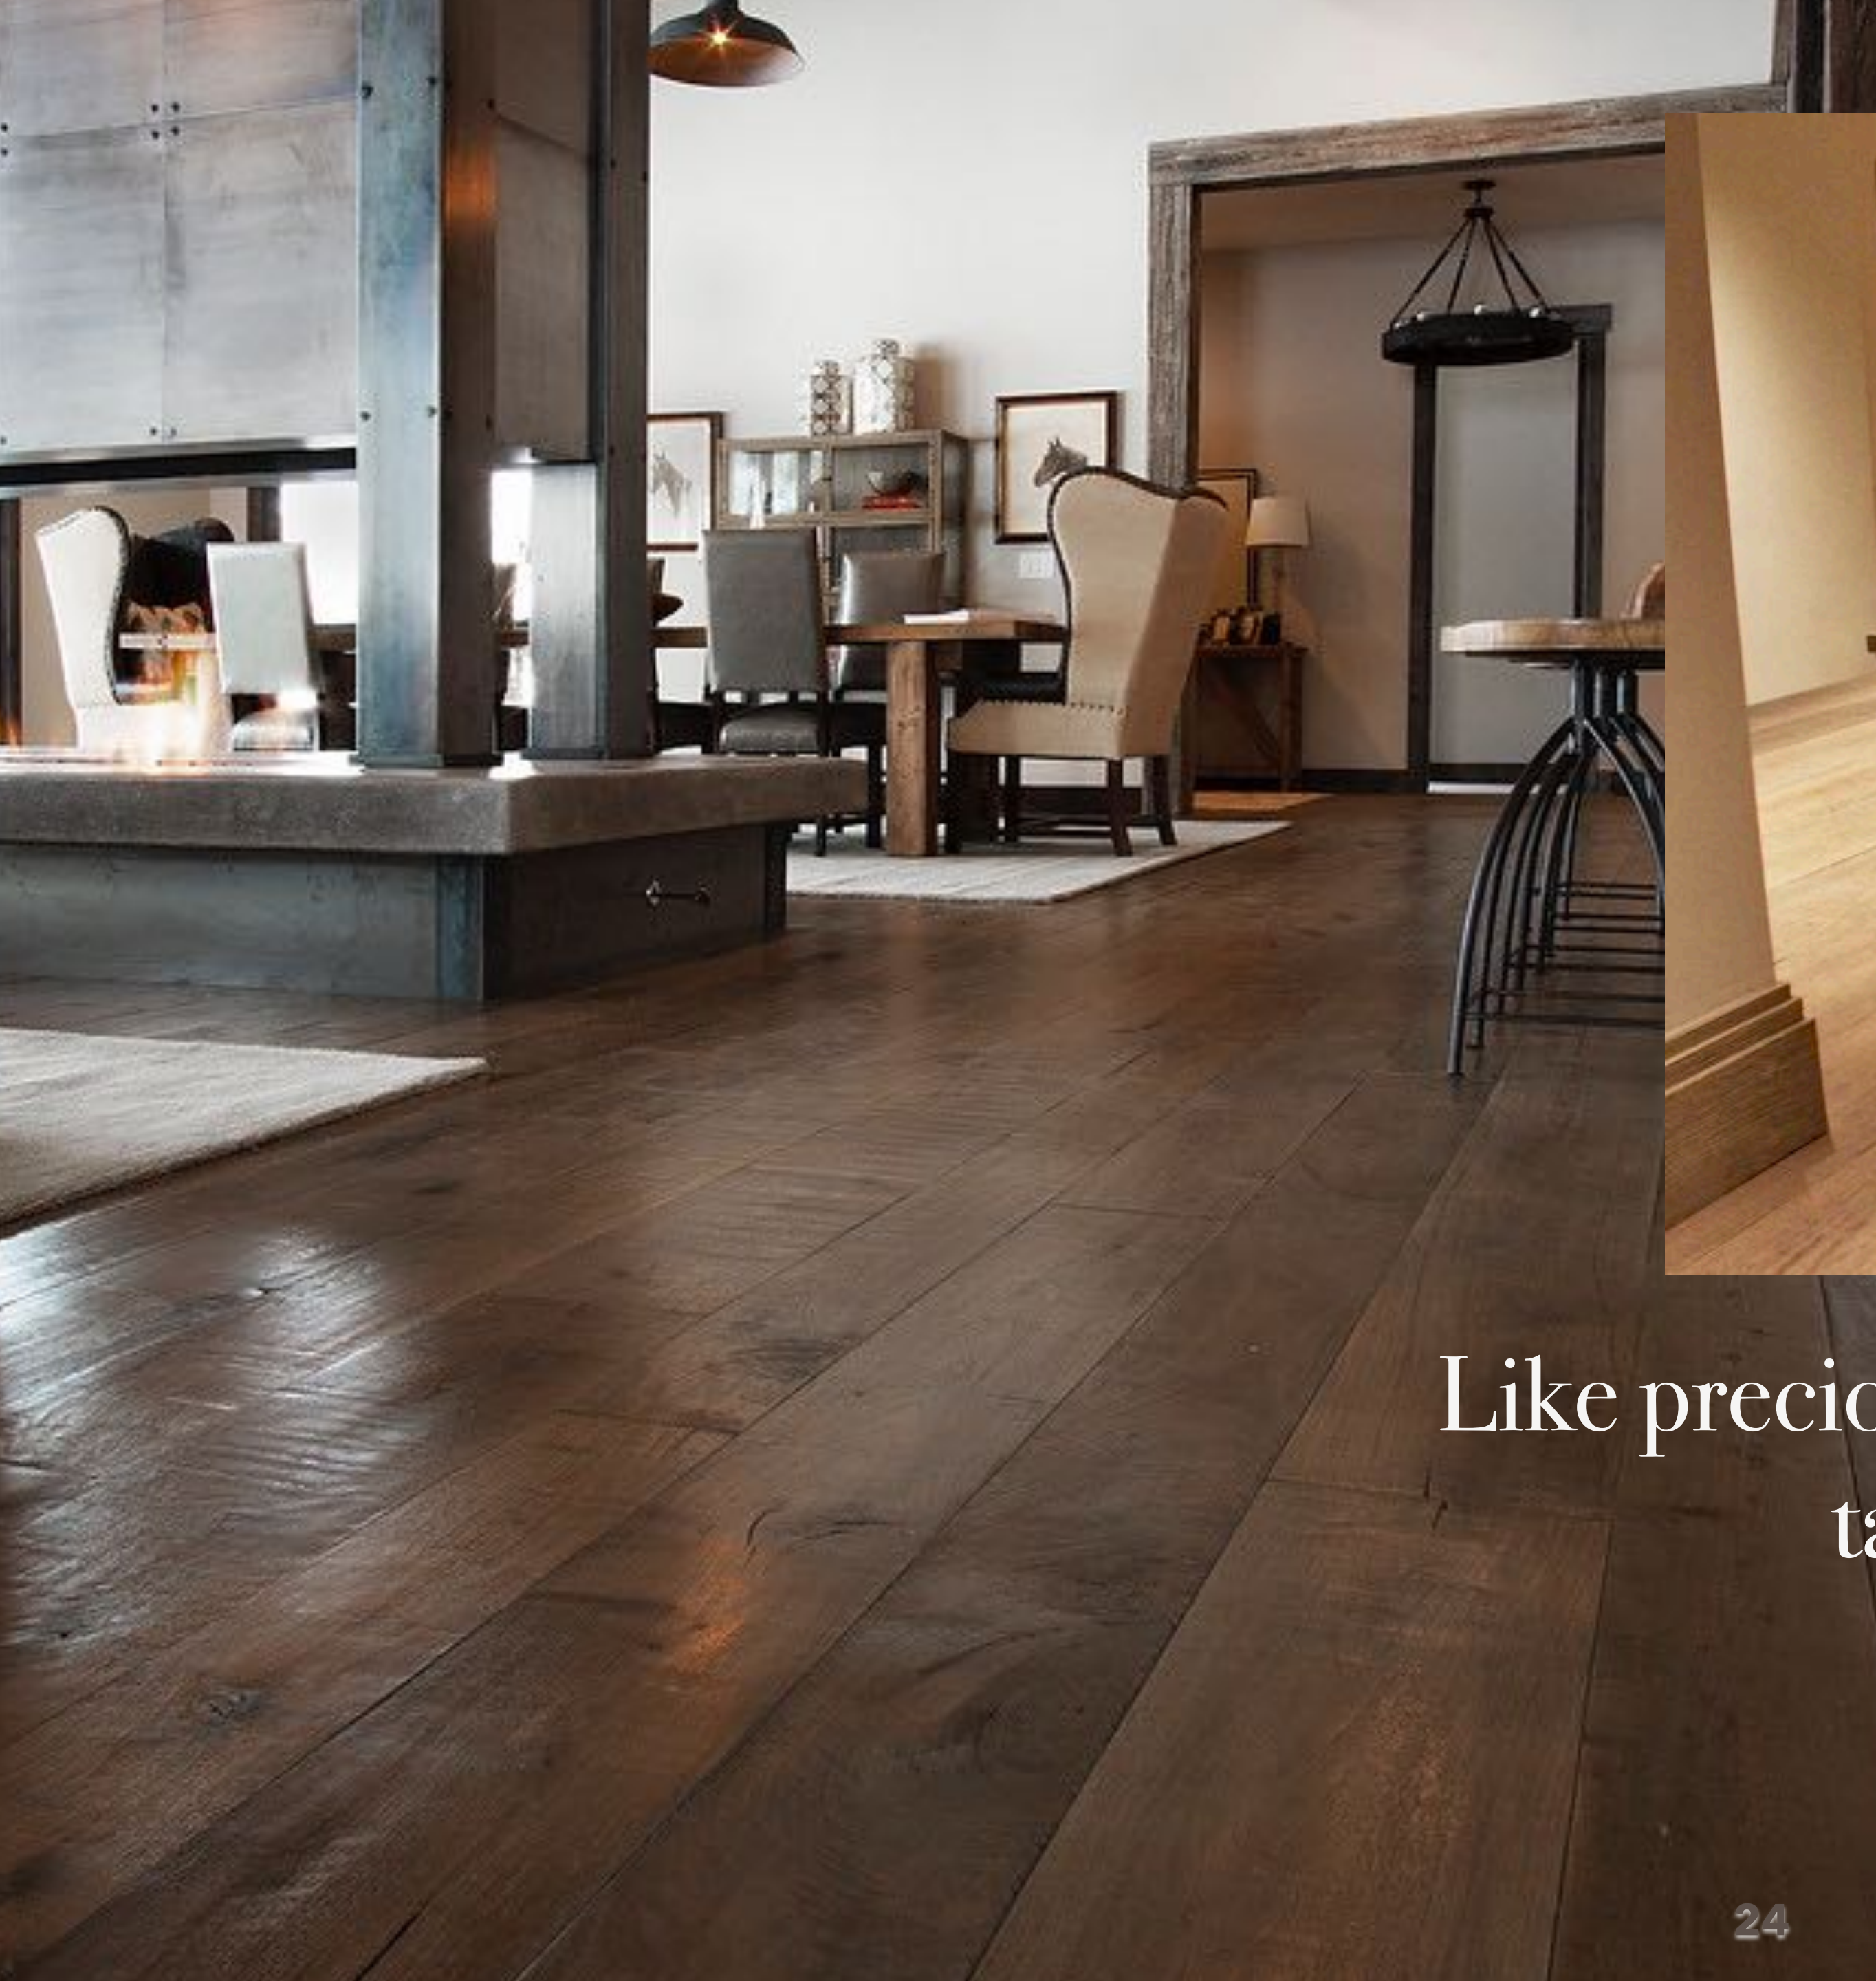

Like precious antiques, our finely crafted flooring takes on depth and complexity as it ages

# LOS ANGELES SHOWROOM

12801 S. Figueroa Street

Los Angeles, CA 90061
